

WATERPOWER VIP TOUR

This package combines Niagara's newest must-see attraction with a signature favourite to offer you one unforgettable experience!

Let us take care of the planning with private bus pick-up at your hotel, a personal Niagara Parks guide and admission to two breathtaking attractions!

At the **Niagara Parks Power Station**, get an in-depth look into the first major hydropower plant on the Canadian side of the Niagara River. Venture 180 feet underground to discover the Tunnel at the Niagara Parks Power Station.

Journey Behind the Falls takes you to the foot of the Horseshoe Falls where you'll feel the power of Niagara crashing down from 13 storeys above. Explore 130-year-old tunnels cut deep into the bedrock and feel the thundering waters shake the walls around you!
